The Ancient Fruitcake

**Saturday, January 14
noon - 2 p.m.
for adults**

Join the Friends of the Lacey Timberland Library for their annual meeting and a fascinating program on food so old, so unusual, or so meaningful that

no one dares throw it away. Seattle author Harriet Baskas explores how these and other 'vintage vittles' can and do hold memories, tell stories, and connect us with history, culture, love, and memory in this Humanities Washington presentation.
